

Middle School Log of Good Works

“Good works are links that form a chain of love.” - Mother Teresa

Carondelet middle school students are required to complete 5 hours of “good works” or acts of service that benefit their immediate community or the greater good per trimester as part of the Religion grade. Students must complete these good works as something that goes above and beyond school sponsored activities. Please keep a log of your good works on this form, and choose one of them to write up a 2-3 paragraph reflection. This log and reflection must be signed by your parents and turned in to your Religion teacher upon completion, before the end of each trimester.
